About Us

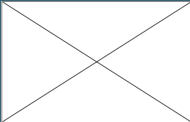

Welcome to Safe Girl, where compassion meets action! We are a dedicated team committed to addressing the intricate tapestry of social and environmental challenges in Kenya. Our multifaceted portfolio project aims to create meaningful impact in various critical areas.

Our Mission

Safe Girl is on a mission to make a positive difference in the lives of individuals, communities, and the environment. Through a holistic approach, we strive to foster positive change and empower those facing pressing challenges.

Safe Girl Foundation strives to create a positive ripple effect by providing counseling services, promoting climate awareness, empowering youth through STEAM education, supporting GBV victims, enhancing financial sustainability, advocating for policy changes, bolstering community engagement, and measuring and communicating our impact effectively. We understand the complexity of these challenges and tackle them with a holistic and multifaceted approach.

A rectangle with its diagonals intersecting at the center. The rectangle is oriented horizontally. The diagonals are represented by two straight lines crossing each other at the exact center of the rectangle. The lines are black and have a medium thickness. The rectangle's border is also black and has a medium thickness. The interior of the rectangle is white.
